#### INDEPENDENT AUDITORS' REPORT

Board of Directors and Stockholder Rives, Leavell & Co., Inc. Jackson, Mississippi

We have audited the accompanying statements of financial condition of Rives, Leavell & Co., Inc. as of December 31, 2007 and 2006 and the related statements of income (loss), changes in stockholder's equity, cash flows and changes in subordinated borrowings for the years then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Rives, Leavell & Co., Inc. as of December 31, 2007 and 2006 and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

#### Note 1 - Summary of significant accounting policies:

The summary of significant accounting policies is presented to assist in understanding the financial statements. The financial statements and notes are representations of the Company's management, who is responsible for their integrity and objectivity. These accounting policies conform to accounting principles generally accepted in the United States of America for the years ended December 31, 2007 and 2006.

Organization, nature of business and market concentrations:

The Company was incorporated in 1971, under the laws of the State of Alabama. In 1987, operations of the Company were transferred to Jackson, Mississippi. The Company engages in origination and brokerage activities for churches and non-profit institutions in various states, where registered, in the continental United States of America. The Company is registered with the Securities and Exchange Commission and qualified as a broker-dealer in thirty-four states.

On April 21, 1998, the shareholders of Rives, Leavell & Co., Inc. exchanged and transferred all outstanding shares of common stock of the Company to RLC Holding Company, Inc. (RLC) for the outstanding shares of common stock of RLC, establishing Rives, Leavell & Co., Inc. as a wholly-owned subsidiary of RLC. In February, 2007, under a Plan of Liquidation and Dissolution, RLC was liquidated, and the common shares of RLC were transferred to the single shareholder of RLC.

Recognition of revenues and expenses and basis of presentation:

The Company uses the accrual method of accounting. Revenues are recognized when earned, and expenses are recognized when incurred. The accompanying financial statements include the assets, liabilities, equity and financial activities of the Company.

Service fee and retail brokerage revenues are recognized as income, and service fees and retail brokerage commissions as expense, upon the satisfaction of the minimum escrow of certain bond issues. This escrow amount is normally a minimum of 40 percent of bond proceeds or such amount considered necessary to facilitate a first mortgage on the property of the Issuer of the bonds.

During 2007 and 2006, Rives, Leavell & Co., Inc. earned additional service fee revenue from church underwriting activities related to "when issued savings." Such revenue is derived from church assignments of escrowed funds to the Company, under underwritten bond programs, which have been, or will be, accumulated at the paying agent. The Company recognizes revenue as earnings on church sinking fund payments from bond issuance dates accumulate in excess of debt service requirements for bonds issued to investors subsequent to the date-of-closing issuance dates.

Included in accounts receivable at December 31, 2006 is \$41,460 from the assignments, related to both simple and compound bonds programs of the respective church bond programs. During 2007, management determined that these amounts are not likely to be realized due to early calls, and charged off the remaining receivable.

Notes to Financial Statements December 31, 2007 and 2006

#### Note 1 - Summary of significant accounting policies (Continued):

Equipment and depreciation:

Equipment is stated at cost less accumulated depreciation. For financial reporting, estimates of depreciation are provided by the straight-line method over lives ranging from five to seven years. Maintenance and repairs are charged to expense as incurred. For income tax purposes, depreciation is provided under statutory accelerated methods.

Cash and cash equivalents:

For purposes of the statement of cash flows, the Company considers all highly liquid debt instruments with initial maturities of less than three months to be cash equivalents.

Profit-sharing plan:

The Company has a defined contribution 401(k) retirement plan. The Plan covers all employees who have incurred more than 500 hours of service during the year. Participants can elect to contribute up to the maximum percentage of compensation allowed by the Internal Revenue Code. The Company made matching contributions for participants of up to \$1,000 per participant, aggregating \$10,736 and \$12,730 in 2007 and 2006, respectively. In September 2007, the 401k plan was terminated, and assets were transferred as designated by each employee. The company will start a new plan one year from the date that all of the assets have been transferred.

#### Income taxes:

The Company files consolidated income tax returns with its parent corporation, RLC Holding Company, Inc. Income tax expense is allocated to all companies based upon their respective share of consolidated taxable income. The various state returns are filed based on the taxable income in each state.

Certain items, such as depreciation and limitations on charitable contributions, are accounted for differently for financial reporting and income tax purposes. Deferred income taxes are provided in recognition of these timing differences.

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Advertising costs:

The Company follows the policy of expensing all advertising costs as incurred.

As of December 31, 2007, the Company has a Federal net operating loss carryforward that expires in 2026 amounting to approximately \$40,000, and a State net operating loss carryforward that expires in 2026 amounting to approximately \$161,000.

Notes to Financial Statements December 31, 2007 and 2006

#### Note 3 - Net capital requirements:

As a registered broker-dealer, Rives, Leavell & Co., Inc. is subject to Rule 15c3-1 of the Securities Exchange Act of 1934 dealing with the "Net Capital Rule" for brokers and dealers. The rule requires that a registered firm's aggregate indebtedness, as defined, shall not exceed 15 times net capital, as defined.

At December 31, 2007, the Company's net capital ratio (defined as aggregate indebtedness divided by net capital) was 19.21 percent. Its net capital was \$124,860.

At December 31, 2007, the Company's debt to debt-equity ratio computed in accordance with Rule 15c3-1(d) was 0.00 percent.

#### Note 4 - Service fee agreement:

The Company operates under the terms of a service fee agreement with Reliance Trust Company of Atlanta, Georgia. The agreement provides that Reliance will receive, review, and accept the positions of Registrar, and Paying, Escrow, and Disbursing Agent with respect to all qualified programs originated by Rives, Leavell & Co., Inc. Substantially, all bond issues directed by Rives, Leavell & Co., Inc. during the years ended December 31, 2007 and 2006 were served by Reliance Trust Company under the agreement.

Under such agreement, the Company agrees to provide administrative and consulting services in the development and closing of bond issues. In return for these services, the Company receives broker service fees revenue from Reliance Trust Company.

#### Note 5 - Operating leases:

The Company leases its office space from Partners III, LLC, an entity owned by the shareholder of the Company, and, in 2007 and 2006, paid \$103,824 to the lessor under the lease agreement. The agreement provided for monthly rent of \$8,652 through June 30, 2007. There has been no new lease agreement entered into with Partners III, LLC, although the Company continues to pay \$8,652 monthly to Partners III, LLC.

On December 31, 2006, the Company owed \$17,305 to Partners III, LLC under the agreement (none at December 31, 2007).

#### Note 6 - Concentrations of risk:

The Company has funds deposited in financial institutions which at times exceed the \$100,000 insurance provided by the Federal Deposit Insurance Corporation.

Notes to Financial Statements December 31, 2007 and 2006

#### Note 7 – Subordinated borrowings:

The Company has subordination agreements with its shareholder for an aggregate amount of \$200,000 at December 31, 2007. The subordinated borrowings are available in computing net capital under the SEC's uniform net capital rule. The borrowings may not be paid to the extent that they are required for the Company's continued compliance with minimum net capital requirements. Details of the subordinated notes are as follows:

	December 31	
Due Date	2007	2006
September 1, 2016 (prime plus 2.5 percent, or 9.5% at December 31, 2007) September 1, 2016 (prime plus 2.5 percent, or 9.75% at December 31, 2007)	\$ 72,000 <u>128,000</u>	\$ 72,000 
	<u>\$200,000</u>	<u>\$142,000</u>

On February 7, 2007, the Company was advanced an additional \$58,000 in subordinated borrowings, at a rate of prime plus 2.5%, due on September 1, 2016. On January 1, 2008, the 9.5 percent note was refinanced at a rate of prime plus 2.5 percent, and its maturity was extended to September 1, 2016.

#### Note 8 - Other revenue:

During 2007, the NASD and NYSE merged to form FINRA. As a result of the merger, the Company received \$35,000, which is included in other revenue for the year ended December 31, 2007.

## INDEPENDENT AUDITORS' REPORT ON INTERNAL ACCOUNTING CONTROL REQUIRED BY SEC RULE 17a-5

Board of Directors and Stockholder Rives, Leavell & Co., Inc. Jackson, Mississippi

In planning and performing our audit of the financial statements and supplemental schedules of Rives, Leavell & Co., Inc. (the Company), as of and for the year ended December 31, 2007, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company, including consideration of control activities for safeguarding securities. This study included tests of compliance with such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in the following:

- 1. Making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and the reserve required by rule 15c3-3(e);
- 2. Making the quarterly securities examinations, counts, verifications, and comparisons, and the recordation of differences required by rule 17a-13; and
- 3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls, and of the practices and procedures referred to in the preceding paragraph, and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. However, we identified the following deficiency in internal control that we consider to be a material weakness, as defined above. This condition was considered in determining the nature, timing, and extent of the procedures performed in our audit of the financial statements of Rives, Leavell & Co., Inc. as of and for the year ended December 31, 2007, and this report does not affect our report thereon dated January 24, 2008.

The Company's limited accounting staff's size does not provide for adequate segregation of duties in the various accounting functions.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2007, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, National Association of Securities Dealers, and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
